Executive Operations • Procurement • Finance • Compliance • Government Administration • Organizational Leadership

EXECUTIVE PROFILE

Executive-level public sector operations, procurement, and fiscal administration professional with extensive experience supporting executive leadership, organizational infrastructure development, compliance operations, procurement strategy, contract administration, workforce support, and financial management across New York City government, higher education, and nonprofit leadership environments. Demonstrated ability to lead cross-functional initiatives, implement scalable operational systems, navigate complex regulatory environments, and support growing organizations through strategic planning, process improvement, stakeholder coordination, and operational leadership.

Brings a unique combination of executive operations management, legal training, procurement expertise, technology systems coordination, compliance oversight, fiscal administration, and entrepreneurial experience. Recognized for strengthening internal controls, modernizing workflows, resolving operational inefficiencies, and building structured systems that support long-term organizational growth and accountability.

Experienced operating within highly regulated environments involving NYC Procurement Policy Board Rules, Comptroller directives, OMB oversight, procurement modernization initiatives, financial management systems, vendor management, intergovernmental coordination, and enterprise-wide operational support.

PROFESSIONAL EXPERIENCE

Senior Fiscal Associate / Agency Chief Contracting Officer (ACCO)

NYC Commission on Racial Equity (CORE) | 2025 – Present

- Support executive leadership across procurement, fiscal administration, workforce support, operations management, compliance oversight, and organizational development for a newly established New York City agency.
- Oversee procurement and contracting activities in compliance with NYC Procurement Policy Board Rules, Comptroller directives, and applicable City regulations.
- Manage procurement workflows, contract coordination, fiscal tracking, payment processing, invoice review, and vendor management activities.
- Coordinate operational and administrative initiatives supporting agency growth, organizational continuity, and development of scalable internal systems.
- Develop and standardize internal policies, procedures, operational guidance documents, travel processes, and administrative workflows.
- Support payroll administration, reimbursement coordination, workforce-related transactions, retroactive adjustments, and personnel support functions.
- Coordinate with OMB, DCAS, the Comptroller's Office, OTI, City Council staff, and external stakeholders regarding operational, fiscal, procurement, and compliance matters.
- Assist leadership with budget coordination, procurement planning, financial reconciliation, administrative troubleshooting, and operational strategy.
- Contributed significantly to development of the agency's operational infrastructure, internal controls, procurement systems, and administrative framework.
- Support high-visibility public engagement initiatives, community partnership coordination, and intergovernmental operational activities.

Admin Organization and Business Effectiveness Manager

City University of New York (CUNY) – Office of the Chief Procurement Officer | 2023 – 2025

- Supported procurement modernization initiatives and enterprise procurement operations across twenty-five CUNY campuses and central offices.
- Managed issue resolution and operational support across all procurement stages within the University's Jaggaer/CUNYBuy procurement platform.
- Analyzed procurement trends, workflow inefficiencies, and operational issues to identify opportunities for large-scale process improvements.
- Participated in procurement system process re-engineering efforts and operational planning initiatives.
- Collaborated with finance, budget, procurement, and administrative stakeholders across the University system to support operational alignment.

- Developed service guides, technical manuals, operational procedures, quick-reference documents, and procurement support materials.
- Facilitated group training sessions and one-on-one technical support for procurement system users.
- Modified procurement system workflows, enhanced site functionality, updated system configurations, and improved user experience.
- Resolved procurement system errors involving requisitions, purchase orders, vouchers, and receipts to support uninterrupted operational processing.
- Supported enterprise-wide procurement communication efforts utilizing Microsoft Office, SharePoint, and Adobe Creative Suite.

Contract Specialist / Contract Manager

NYC Department of Health and Mental Hygiene | 2020 – 2023

- Managed procurement, fiscal, and contract administration activities within a major New York City public health agency.
- Reviewed financial reports and analyzed discrepancies across FMS, PASSPort, DMSS, APT, OES, and related procurement systems.
- Resolved system inconsistencies and ensured accurate contract, vendor, and financial reporting data.
- Processed, reviewed, and submitted purchase orders and contract packages for Comptroller registration and filing.
- Ensured procurement compliance with NYC Procurement Policy Board Rules, Comptroller directives, and applicable City regulations.
- Performed vendor management activities including TIN verification, vendor record maintenance, Comptroller validations, and vendor coordination.
- Served as liaison between procurement staff, program areas, budget personnel, vendors, and the NYC Comptroller's Office.
- Supported contract registration processes, funding coordination, procurement inquiries, and operational issue resolution.
- Prepared and published City Record procurement advertisements in accordance with public notification requirements.

Principal Officer

Ticket Toledo | 2004 – 2023

- Managed operations for a compliance-focused consulting business advising commercial vehicle operators on NYC and New York State regulatory compliance requirements.
- Developed operational systems, recordkeeping procedures, workflow standards, and administrative processes supporting long-term business operations.
- Implemented cost-saving strategies and data-driven operational analysis that reduced client expenses related to commercial vehicle violations.
- Represented clients before administrative law judges, negotiated settlements with city officials, and coordinated regulatory compliance matters.

- Drafted agreements, prepared operational reports, managed bookkeeping functions, and supervised administrative support activities.
- Oversaw client communications, operational coordination, compliance documentation, and business process management.
- Maintained advanced proficiency utilizing Microsoft Office Suite and Adobe Creative Suite for operational reporting, communications, and document management.

Executive Board Member / Chairman & CEO

Shriners International – New York City Chapter | 2010 – 2015

- Oversaw day-to-day organizational operations, administrative management, and strategic planning initiatives.
- Led fundraising events, membership engagement initiatives, community outreach activities, and organizational development projects.
- Managed project budgets, monitored expenditures, and coordinated operational planning activities.
- Directed business negotiations and supported procurement activities for organizational operations and special events.
- Developed and implemented operational improvements that enhanced organizational processes and stakeholder engagement.
- Recruited, trained, coordinated, and supervised volunteers supporting organizational initiatives and public events.
- Supported membership growth, retention initiatives, outreach modernization, and digital engagement improvements.

Associate Board of Governors Member

Shriners Hospital for Children – Philadelphia | 2010 – 2013

- Served on governance and outreach committees supporting hospital operations, donor engagement, and community relations initiatives.
- Participated in organizational planning, donor relations, patient outreach, and institutional support activities.

Law Intern

Bronx Legal Services – Educational Unit | 2017

- Conducted legal research, prepared legal memoranda, drafted hearing requests, and supported case management activities.
- Assisted with client intake, advocacy coordination, document review, and communications involving education-related legal matters.

Judicial Intern

New York City Criminal Court | 2013

- Supported judicial administrative operations and observed court proceedings within Bronx County Criminal Court.
- Reviewed motions, conducted legal research, and supported administrative functions for supervising judicial leadership.

Administrative Assistant

MMG Management / AnnDee Ltd. | 2002 – 2004

- Supported operations involving regulatory compliance, administrative coordination, violation resolution, and contractor communications.
- Conducted research involving sanitation, fire department, consumer affairs, and building regulations.
- Appeared before administrative bodies regarding compliance matters and coordinated operational documentation.

EDUCATION

- Juris Doctor (J.D.) – City University of New York School of Law
- Bachelor of Arts in Pre-Law – The City College of New York, CUNY
- Associate of Arts in Criminal Justice – Hostos Community College, CUNY

LEADERSHIP DEVELOPMENT & PROFESSIONAL TRAINING

- 2026 NYC HR Academy Participant
